

Beatriz and Wanda Go Shopping

CHAPTER 10

Supplemental Dialogue for the Beginner Workbook

by Peter Mangiaracina

Wanda is visiting Beatriz. They are drinking coffee in the kitchen, when Beatriz has an idea...

BEATRIZ

Hey Wanda! I've got an idea. Let's go shopping!

WANDA

Sure! What do you want to buy?

BEATRIZ

I need to buy some new clothes.

WANDA

And I've been thinking about buying a new TV.

Okay, let's go to the department store then.

(They drive to the shopping center, park in the center's garage, and enter the department store. A sales clerk approaches them)

CLERK 1

Good morning, how can I help you today?

BEATRIZ

Good morning! We are looking for the woman's department and the electronics department.

CLERK 1

Sure, the woman's department is on the second floor and the electronics department is on the first floor.

WANDA

Thanks!

(They take the elevator to the second floor. Beatriz finds a beautiful dress that she wants to buy. She tries on the dress and she decides to buy it. She speaks to another sales clerk)

BEATRIZ

I found this dress that I really like. The price tag says \$100 .

CLERK 2

It's on sale this week. Fifty percent off. It's \$50.

BEATRIZ

Okay. That's a good price! Do you have it in a medium?

CLERK 2

Yes, of course (*the clerk looks through the rack of sweaters*) Here's one in red.

BEATRIZ

Oh! That's beautiful. Can I try it on?

CLERK 2

Of course. The fitting room is over there on the left.

(Beatriz tries on the dress, and comes out.)

BEATRIZ

It's perfect. I think I'll take it.

CLERK 2

Great! Cash or charge?

BEATRIZ

I'll pay with a credit card.

(Now they go to the electronics department. Wanda is looking at televisions.)

BEATRIZ

Why do you need a new TV?

WANDA

Mine is broken and it will cost too much to repair. I think it will be cheaper just to buy a new one.

BEATRIZ

You're right. It costs too much to repair televisions.

(Wanda sees a TV she likes. She speaks to a sales clerk.)

WANDA

How much is this television?

CLERK 3

It's \$500.

WANDA

Okay. I think I'll take it.

CLERK 3

Would you like the insurance for the TV? It will cost only \$90 more, and it covers any damage or malfunction for two years.

WANDA

Yes. That's a good idea.

CLERK 3

Okay. Please fill out these forms for the insurance, and I will ring up the TV. Cash or charge?

WANDA

I'll pay cash.

(Wanda fills out the forms and hands them back to the clerk.)

CLERK 3

The total comes to 640 dollars and fifteen cents including 8.5% sales tax.

WANDA

Here's \$700.

(Wanda hands the money to the clerk.)

CLERK 3

Thank you. And here's your change \$57.85.

WANDA

Excuse me, but that's the wrong change!

CLERK 3

I'm sorry! The change is \$58.85. Here's the other dollar.

WANDA

Thanks.

CLERK 3

Here is your receipt.

WANDA

Can I get a refund if I change my mind later?

CLERK 3

Yes, of course. We offer refunds or exchanges within 15 days of purchase.

WANDA

Do you deliver? The TV is too heavy to carry,
and it's too big for my car.

CLERK 3

Of course. Delivery is free for televisions. We
have your address on the insurance forms. The TV
will be delivered tomorrow. Will you be home in
the afternoon?

WANDA

Yes.

CLERK 3

Then they will deliver the TV tomorrow
afternoon.

WANDA

Great, thank you!

CLERK 3

You're welcome. Have a great day!
